

Deliver on the promise
of a quality education

"I believe that it's almost impossible for people to change alone. We need to join with others who will push us in our thinking and challenge us to do things we didn't believe ourselves capable of."

- Frances Moore Lappe

DAY 1 | Getting Ourselves Ready to Coach for Equity

Who am I in this work? Why do I/would I choose to coach for equity?

"Each time a person stands up for an ideal, or acts to improve the lot of others, or strikes out against injustice, he or she sends forth a tiny ripple of hope. And crossing each other from a million different centers of energy and daring, those ripples build a current that can sweep down the mightiest walls of oppression and resistance."

- Robert F. Kennedy
